# YES, WE HAVE NO BAGGATTA

IT'S TRUE — PATRICK HAS LEFT. THE LOVE IS GONE.

Last issue, Patrick dropped a bombshell on us — after years of working with the *ULTRA Game Players* team, he was leaving for our sister mag, *NEXT Generation*.

We should have seen it coming...

Patrick had begun to pull some pretty mean pranks on us. After this stunt, Mike wasn't able to play sports games for nearly a week.

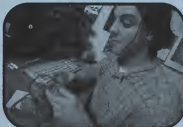

Patrick also seemed more and more dissatisfied with actually having to play the games, which would explain why he went over to *NEXT Generation*.

Near the end, he refused to speak to any of us, and only confided in his new friend, 'BoBo'.

Ah Patrick, we hardly knew  
ye, even after all those years  
Maybe someday you'll win  
your inner war.

Patrick once collected every pad in the office, then felt them up, one by one.

A typical Patrick work day. If only he could write pages in DreamLand

A telling picture from last year's Christmas party. It all seems so obvious now.
